Dear Parents

We are thrilled to let you know that during science week this year we have arranged for the Explorer Dome to visit school for the day. Supported by the PTFA & Local community we have been able to book a fun filled day for all.

Explorer Dome travels across the UK with interactive, curiosity-based, science shows and experiences for schools and special community events.

Explorer Dome is presenter-led, lively, interactive and fun to help children - young and old - get hands-on with science!
