

Pupil Premium 2019-2020

Overview for Broadhempston Village primary School

Number of Pupils and Pupil Premium grant (PPG) received	
Total number of pupils on roll	73
Number of pupils benefiting from PPG	5
Total amount of PPG received (£)	£6600

Summary of Spending PPG

The pupil premium is an allocation of funding provided to schools to support children who may be vulnerable to underachievement. The amount received is dependent on the number of children who are eligible and have claimed for free school meals at any time in the last six years. All schools are required to report on the amount of funding they receive and how this is being used.

Principles

- We organise teaching and learning at Broadhempston in order to meet the needs of all children in the best way.
- We ensure that appropriate provision is made for children who belong to vulnerable groups and that socially disadvantaged children have their needs adequately assessed and met.
- We will allocate Pupil Premium funding after a needs analysis to identify priority groups and individuals.

After careful consideration of evidence and our own school priorities, during 2019-2020 we spent the money on:

1. Provision of free access to all school visits for children with FSM.
2. Continued delivery of SEMH support for vulnerable pupils on a daily basis – as required.
3. Provision of Precision Teaching for pupils who are working below age related expectations.
4. Provision of TAs to implement intervention 1:1 or small groups
5. Additional classroom support available for children working below age related expectations.
6. Provision of Forest School training for staff and sessions for pupils to enable children to develop wellbeing strategies
7. Access to Link Academy Trust Improvement Inclusion Hub courses to support mental health, wellbeing and behaviour

The Governors, IIH manager and Head of School monitor the impact of this provision using a number of different measures including pupil progress and attainment data, lesson observations and consultation with pupils and parents.

Total Expenditure: £6600
