- Jill & Karen completed EVC (Educational Visit Coordinator) training with Devon Education services – enables us to be compliant with all aspects of law and risk assessment
- 5.7.23 mini first aider course for all children – workshops in each class

Safeguarding training this ½ term so far has been based on:

- Children missing education and following Devon policy & procedures
- Contextual safeguarding – what that might look like for our school
- Risk assessments – policy & procedure
- Safeguarding scenarios – applying knowledge

- Our attendance is almost at our target, which is great. 😊

- A safeguarding audit for school took place on 15th June. We were asked to put our DSL photos on the website and remove an old policy. All areas judged as secure.
