Safeguarding training this term so far has been based on:

Safeguarding quizzes, scenarios – discussion & next steps, BPRI (Bullying & Prejudiced Related Incidents). CME (Children Missing Education) & Domestic abuse are coming up in the next few weeks.

Attendance monitor has taken place week beginning 9/5. Letters will be sent as required. Our current whole school data is at 96.6% which is great. This means that sequences of learning are not being missed and gaps are not widening as a result of poor attendance.
